SIMPLY STRANDZ PROFESSIONAL TRAINING

3 Day Hair Replacement Intensive

Practical non surgical hair replacement training for experienced hairstylists and barbers.

Tuition

$4,500 CAD

Starter kit included in tuition.

Tuition shown excludes any applicable taxes. Tax treatment and the final payable amount will be confirmed before enrolment.

Planned schedule

Three training days
9:30 a.m. to 4:30 p.m. each day
One hour for lunch each day - 18 training hours in total.

What you will learn

Select and fit hair systems, prepare for attachment, apply tape and adhesive, cut and blend, and carry out removal and maintenance. Training also covers client privacy, consultations and service pricing.

Learning format

Demonstrations and supervised practical exercises, supported by a digital student manual. Students receive a Simply Strandz Certificate of Completion after completing the course requirements.

Your instructor

Brenda King brings more than 38 years of hairstyling experience and more than 22 years specializing in non surgical hair replacement.

Your 3 day learning schedule

Each day combines instruction, demonstrations and supervised practice.

Day	Morning focus	Afternoon focus
Day 1 Foundations	Consultation, privacy, scalp observations and hair system types.	Measurements, templates, colour and density matching, and system selection.
Day 2 Installation	Preparation, tape and adhesive methods, and positioning.	Supervised application, hairline placement, cutting and blending.
Day 3 Care and business	Removal, cleaning, reattachment and client home care.	Service pricing, maintenance programs, practical assessment and feedback.

Course preparation

Students should have existing cutting and styling skills. Contact Brenda to discuss your experience and what to bring.

Certificate scope

The Simply Strandz Certificate of Completion records completion of this course. It does not replace a provincial trade licence or qualification.
