Planned schedule

Two training days per week for 12 weeks
9:30 a.m. to 4:30 p.m., with one hour for lunch
24 training days - 144 training hours.

Who this course is for

Experienced hairstylists and barbers who want more time to develop their hair replacement skills through guided practice and complete service workflows.

What you will learn

Men's and women's hair system selection, custom ordering, fitting, attachment, cutting and blending, maintenance, troubleshooting and business planning.

Learning format

Demonstrations, mannequin practice and supervised client work, subject to model availability and student readiness. Practical progress is assessed throughout the program.

Completion

Students who complete the course requirements and practical assessment receive a Simply Strandz Certificate of Completion.

Your 12 week learning schedule

Weeks	Training focus
1 to 2	Consultation, hygiene, privacy, scalp observations, hair system types and recognizing when medical referral is needed.
